

# 2021 Membership Drive

## February 2021 - Renew Today Carver County Pheasants Forever Chapter

What a difference from last February's banquet to today! Hopefully you've been able to enjoy some silver linings despite all the struggles created by the COVID pandemic – with any luck you've been able to get out in the field and on some birds a couple more times than in prior years. But those fields, and grassland habitats remain under pressure and it is only because of groups like ours that they can be preserved and along with them, our hunting traditions maintained.

While we'd love to be able to get together again as a group, the health dangers of the pandemic and governmental restrictions remain in place. However, we want to make sure that our members can renew their PF memberships, keeping our local chapter healthy and the national entity funded, so that the good work of PF can continue. This February join us in a membership drive.

Why renew? There are many great reasons and here are a few that you helped us accomplish over the last year

- Carver County Pheasants Forever played a significant role in the purchase of 100 acres of land located on the northwestern section of the existing the Wildlife Management Area. Restoration planning has already started which will include; native plantings and wetland restoration. ***The Tiger Lake complex now contains nearly 600 acres of restored habitat.***
- Memorialized longtime Carver County Pheasants Forever board member and volunteer, Glenn McPadden by renaming the WPA located on the east side of Tiger Lake complex the “Glenn McPadden Family Tract” and placing a monument in his honor
- This past fall, restored grassland habitat on the area located west of the Glenn McPadden WPA Tract
- Continued the tradition of helping fund local high school trap teams throughout Carver County

### Tiger Lake Complex

If continuing projects and charitable activities like those were not enough reason to renew and contribute to the club, here is an incentive! Everyone who renews their membership through the membership drive will be entered into a 2021 special raffle for a **Browning Silver Semi-Auto 12ga Shotgun (MSRP \$1159.99)**. **Only members who purchase a membership and return this form by 4/1/2021 are eligible to win the gun.**

Second, as a fundraising mechanism for the club, we are raffling off a **\$1000 Gift Certificate to Cabin Fever Sporting Goods** in Victoria, MN. Enclosed you will find 5 tickets for the Cabin Fever raffle.

Please return the completed membership form and all purchased and unpurchased raffle tickets with your payment using the envelope provided. Make checks or money orders payable to "Carver County Pheasants Forever."

**Drawings to be held during the April, 2021 Carver County Pheasants Forever Meeting.**
